Net Contents: 8 Fl. Oz. (236 ml)

DIRECTIONS FOR USE

Use only in accordance with label directions & precautions. Shake well before using.

FOR USE ON DOGS & CATS
To Control Fleas and Ticks

Start spraying at the tail, moving the dispenser rapidly and making sure the animal's entire body is covered, including the legs and underbody. While spraying, fluff the hair so that the spray will penetrate to the skin. Make sure that it wets thoroughly, but do not saturate the animal. Do not spray into eyes or face. Do not contact genitalia. Do not use on animals under twelve (12) weeks old. Repeat application as necessary. Consult a veterinarian before using this product on medicated, debilitated, aged, pregnant or nursing animals.

FOR PREMISE USE

Thoroughly spray infested areas, pet beds, resting quarters, nearby cracks and crevices, along and behind baseboards, moldings, window and door frames plus entire area of floor and floor covering. Place fresh bedding in animal quarters following treatment.
