

Pyranha Revitalizing Shampoo™

Is a unique shampoo that contains coconut conditioning agents that aid in building body, luster and groomability to the coat. Special ingredients have been added to enhance the natural color of the body coat, mane and tail. This pH balanced formula cleans effectively and rinses easily. **Pyranha Revitalizing Shampoo™** contains Chamomile and Aloe Vera so that a lustrous sheen is achieved.

Directions for Use

Wet animal thoroughly. Add a generous amount of **Pyranha Revitalizing Shampoo™** to a sponge or wet cloth and spread evenly over the entire animal. Keep out of eyes. Lather well, let soak and rinse thoroughly. When coat is dry, apply **Pyranha Wipe N' Spray™** For Horses fly spray to protect the animal against flying insects.
