

# Pyrethrin SHAMPOO

FOR HORSES & DOGS

## Ready-To-Use Water-Based Formula...

For Dogs and Horses: Pyranha Pyrethrin Shampoo is an insecticidal shampoo rich in coconut conditioners that aid in building body, luster and groomability to the coat of your animal. It controls stable flies, horse flies, deer flies, face flies, gnats and mosquitoes on horses.

For dogs it is highly effective against fleas, ticks and lice when used as directed. Pyrethrin Shampoo comes in a convenient, ready-to-use 32 oz. bottle.

## Repels:

- Stable Flies
- Horse Flies
- Deer Flies
- Mosquitoes
- Fleas
- Face Flies
- Gnats

## DIRECTIONS FOR USE

Remove excess dirt and dust by brushing the coat. Wet the animal and apply a generous amount of shampoo, working it well into the coat. Do not apply the shampoo around the eyes. For best results, the animal should be left in the lathered state for four to five minutes before rinsing with warm water. Do not reapply the product for 7 days on horses and 2 weeks on dogs.

## ACTIVE INGREDIENTS:

Piperonyl Butoxide, Technical*	0.5%
Pyrethrin**	0.05%
INERT INGREDIENTS	99.45%
Total	100.00%

\*Equivalent to 0.4% (butylcarbityl (6-propylpiperonyl) ether and 0.1% related compounds.

# REVITALIZING Shampoo

## ***Ready-To-Use Water-Based Formula...***

Pyranha Revitalizing Shampoo: Is a unique shampoo formula that contains coconut-conditioning agents to aid in building body and luster and to assist in grooming the coat. Special ingredients have been added to enhance the natural color of the horse's coat, mane, and tail.

This pH-balanced formula effectively cleans and rinses easily. Chamomile and Aloe Vera have been added to achieve a lustrous sheen.

***Gentle, Non-Irritating***

***Conditions Hair and Skin***

***Enhances the Natural Color of the Coat,  
Mane and Tail***

### **DIRECTIONS FOR USE**

Wet animal thoroughly. Add a generous amount of **Pyranha Revitalizing Shampoo™** to a sponge or wet cloth and spread evenly over the entire animal. Keep out of eyes. Lather well, let soak and rinse thoroughly. When coat is dry, apply Wipe 'N Spray for Horses to protect against flying insects.

**Ingredients:** Deionized Water, Sodium Laureth Sulfate (Cleansing Agent), Sodium Lauryl Sulfate (Wetting Agent), Cocamidopropyl Betaine (from Coconut), Cocamide DEA (from Coconut), Glycerin (Humectant), Aloe Vera Gel, Propylene Glycol (Moisturizer), Panthenol (Vitamin B-5), Chamomile Extract, Fragrance, Methylchloroisoethiazolinone and Methylisothiazolinone (preservatives), Color.
